

PRESS RELEASE

12TH JANUARY 2004

ITS NOT ROCKET SCIENCE, OR IS IT?

Chemence the global super glue manufacturer sponsors the largest rocket ever launched on the UK mainland StarChaser. Chemence are the provider of all the adhesives used in the construction and maintenance of StarChaser. In September StarChaser launched The Manufacturer LIVE 2003 event and proudly displayed the RiteLok adhesive brand name

Chemence is proud to be associated with such a high technology project with the RiteLok range delivering quality, innovation, speed, reliability and strength, both on the ground and in the Troposphere.

StarChaser reaches speeds of up to 500 miles per hour more than double any Formula 1 racing car!!
